ERRATUM

Ultraviolet-B Radiation Effects on Growth and Physiology of Four Rice Cultivars
Qiu Jie Dai, Victoria P. Coronel, Benito S. Vergara, Paul W. Barnes, and Arlene T. Quintos
Crop Science 32:1269-1274. (September–October 1992)

The seventh sentence in MATERIALS AND METHODS incorrectly states the estimated average daily effective UV-B radiation used in this study. The correct amount should be 13.0 kJ m\(^{-2}\) d\(^{-1}\), not 19.1 kJ m\(^{-2}\) d\(^{-1}\).
