A Note of Gratitude: Thanks to Editorial Boards for Important Volunteer Efforts

The Publications Department of the headquarters office extends its sincere thanks to every individual for their efforts—to not only make our journals better—but to make them the very best they can be. For your expertise and commitment, this note of gratitude is shared with all who will be completing a term of service as of 31 Dec. 2012.

The Publications Department’s staff, the editors-in-chief, and the Societies’ presidents thank you. Our journals are first rate because of your personal contributions as volunteers.
