Agronomy Journal (AJ), Natural Sciences Education (NSE), and Crop Science (CS) are pleased to announce the recipients of their 2013 Editor’s Citation for Excellence for reviewers and associate editors. All journals published by ASA, CSSA, and SSSA depend on the commitment and dedication of volunteer reviewers and editors to maintain the high level of quality articles. These individuals listed below provided particularly noteworthy reviews and edits for AJ, CS, and NSE during 2013. If you are interested in reviewing manuscripts, volunteer by contacting the editors with your contact information and your areas of expertise (Dr. Bill Raun at bill.raun@okstate.edu for AJ, Shawn Kaeppler at smkaeppl@wisc.edu for CS, and Ken Barbarick at ken.barbarick@colostate.edu for NSE).
