Applied Turfgrass Science

Natural Sciences Education Facebook Photo Contest

Purpose: To encourage photo postings on the Natural Sciences Education (NSE) Facebook page (www.facebook.com/NaturalSciencesEducation).

Types of postings: Photos, illustrations, or cartoons that deal with natural sciences including but not limited to animal, ecological, entomological, horticultural, plant, and soil sciences and agricultural economics, education, and animal and plant biology.

Who is eligible?: Anyone except NSE editorial board members and the ASA, CSSA, and SSSA Executive Committee members and staff.

Appropriateness: The NSE editor and managing editor will remove any photos from the Facebook page that are deemed inappropriate.

Judging: Judging will be based on the number of likes and shares generated on the NSE Facebook page plus artistic evaluation by the NSE editorial board.

Awards: First-place award will be an NSE t-shirt.
