C. Wayne (Wayne) Smith

Special Thanks to Our Editors-in-Chief

The Publications Department of the headquarters office, the Societies’ presidents, and the ASA, CSSA, and SSSA boards of directors would like to extend special thanks and recognition to our editors-in-chief. Their tireless efforts, commitment to editorial excellence, and upholding of high standards and correct procedures in regard to our publication processes are greatly appreciated.

Elizabeth A. Guertal will continue as ASA Editor-in-Chief. Dr. Guertal is with the Agronomy & Soils Department at Auburn University. She brings a wealth of experience to this position, having served as an associate and technical editor for Crop Science, associate editor for the Soil Science Society of America Journal (SSSAJ) and Agronomy Journal, as well as service on many other Societies committees and boards.

C. Wayne (Wayne) Smith will continue as CSSA Editor-in-Chief. Dr. Smith is with Texas A&M University, Department of Soil and Crop Sciences in College Station, TX. He served previously as Editor of Journal of Plant Registrations. Dr. Smith has also served on the CSSA Fellows Committee, the ACS Society Publications Task Force, and several crop registration and other committees.

David Myrold will continue as SSSA Editor-in-Chief. Dr. Myrold previously served two terms as Editor of SSSAJ, chaired the Soil Biology and Biochemistry Division (formerly Division S-3), and has served on numerous award and other committees.
