Benefits of Membership

Career Center

The Career Center (www.careerplacement.org) promotes and encourages opportunities in the agronomic, crop, soil, and environmental sciences and serves as a clearinghouse for resumes and job listings. Employers and recruiters will find the most qualified applicants with the experience to fulfill their staffing needs.

Job Seekers and Students

• Post or edit your resume/professional profile
• Browse for jobs, graduate assistantships, and internships
• Create job-alert emails to see new openings as they are posted
• Access career tools
• Visit college and university pages
• Learn about ASA and SSSA certification programs

Employers

• Post jobs online and in CSA News magazine
• Post Internships online FREE
• Search resumes and professional profiles

For additional information and questions, contact careers@sciencesocieties.org.
