Student, Early Career Program in Baltimore

SASES Undergraduate Program

Undergrad meeting registration is currently open for the 2018 ASA and CSSA Annual Meeting in Baltimore, MD. The undergraduate member registration fee is $85 if registered by 10 October and $105 after this date. This registration includes access to the entire undergraduate and professional program, the SASES brunch, and the SASES dinner cruise. Undergraduate students and advisers are encouraged to participate in one of four exciting tours planned by the National Officer team for $50. The registration form and tour descriptions can be found at www.acsmmeetings.org/undergraduates.

Plan to arrive on Friday evening, 2 November, to be ready for the tours on Saturday morning. Meeting highlights include professional development programs Sunday and Monday and a Baltimore Harbor Dinner Cruise that will include awards, dinner, networking, and a live D.J. on Monday evening.

This year’s Career Center will provide an excellent opportunity to meet with prospective employers and ask questions about potential careers. While you’re at the exhibit hall, stop by the Grad School Forum to learn more about continuing education.

The SASES Adviser Luncheon Meeting will take place on Monday, 5 November, from 12:00 pm–1:30 pm. All SASES advisers are invited to attend this luncheon, at no cost, to learn and discuss how SASES can better serve your club.

Registration for the President’s Trophy Competition, Quiz Bowl, Speech Contest, Metcalfe Manuscript Contest, Internship Poster, and Visual Presentation Contests are open now through 2 October. Visit www.acsmmeetings.org/undergraduates for more information.
Graduate Student Sessions

The Graduate Student Committee invites you to attend specialized graduate student programs at the ASA and CSSA Annual Meeting. The professional development programs listed below are open to all attendees and will cover topics to help you navigate through higher education.

Graduate student members can take advantage of the Graduate Student Member discounted registration price of $270 through 20 September. For more information about the Annual Meeting, including registration, housing, abstracts, Career Center, exhibitors, and more, visit: www.acsmeetings.org.
