ERRATA

On page 73, in the first sentence of the third bullet under CONCLUSIONS, the value 100 mrem yr\(^{-1}\) is incorrect; it should be 10 mrem yr\(^{-1}\), as stated later in the paragraph.

In addition, for the Interagency Steering Committee on Radiation Standards references list entries (2003a, 2003b, and 2003c), the final versions of all three ISCORS documents reflecting revisions made to the draft final documents responding to public review and formal peer review comments are available on the ISCORS website (www.iscors.org).
