PRAYER GIVEN AT “LAST ACRE” DEDICATION OF JENNINGS COUNTY SOIL SURVEY—NORTH VERNON

We thank you Father for the earth which supports our life, feeds our bodies and supplies our habitation, which at the same time provides us with inspiration because of its beauty.

We thank you for knowledge and wisdom which has allowed us to make the best use of our earth.

We recognize our unfaithfulness and our lack of concern at many times and we humbly seek your forgiveness.

We do pray that you would increase our commitments to be good stewards of all that you have given us. Give us a vision which allows us to see beyond our generation to the next. Give us the wisdom to plan for survival and the courage to work toward it.

We thank you for the men who have completed this program which evidences responsible stewardship. Bless us in our efforts to effectively use this information we have gained. Amen!
