Society of Soil Scientists of Southern New England Increases Membership in 1982

From the December 1982 “Newsletter of the Society of Soil Scientists of Southern New England” we note that the membership of the Society increased from 56 to 67 regular members in 1982. They have 41 associate members. Their board of directors recently voted to continue their practice of providing a 1 year complimentary subscription to “Soil Survey Horizons” for all new regular members who join the Society in 1983. We wish them well.

Their 1982 officers and board of directors are as follows:

President ......................... Alfred Roberts
Vice President ..................... Everette L. Francis
Secretary .......................... William R. Wright
Treasurer .......................... Darrell G. Grice
Board Member ..................... Edward H. Sautter
Alternate Board Member ....... Gary S. Domian

Their newsletter editor is Everett Stuart.

The Society has also published a 1982–1983 brochure titled “Certification of Professional Soil Scientist.” The brochure contains a listing of certified soil scientists, and provides a resume of education, work experience, and present position of each qualifying member. The certification is by the Society of Soil Scientists of Southern New England. Their address is: Society of Soil Scientists of Southern New England, P.O. Box 258, Storrs, CT 06268.
