for earning the top individual score at the Region 4, Soil Judging Contest, in Oklahoma City, OK.

Changes to remove inconsistencies in the constitution were approved. The minutes of the prior meeting and the financial report were read by 1987 Secretary-Treasurer W.M. Koos. The minutes were approved as read. An election was held. The 1988 officers are (Fig. 1):

President: W.M. Morris, Brookhaven
President-elect: Johnny Woodruff, Louisville
Vice-President: Robert B. Hinton, Jackson
Secretary-Treasurer: W.I. Smith, Jackson

A motion was made by James McMullen that the next meeting be held in Natchez, MS on July 9, 1988, and that 1988 President W.M. Morris take the lead in making the local arrangements.

Visitors from other associations are invited and would be most welcome. For more information, contact W.I. Smith; 6202 Mossline Drive; Jackson, MS 39211.

Professional Soil Scientist Association of Oklahoma Holds First Annual Meeting

Clay Wilson and Jim Frie

The members of the Professional Soil Scientist Association of Oklahoma (PSSAO) gathered Oct. 2, 1987 for their First Annual Meeting at El Reno, OK. The association project for this meeting was to prepare soil monoliths of the state soil, Port silt loam (fine-silty, mixed, thermic Cumulic Haplustolls)

1Soil survey party leader, USDA-SCS, Guthrie, OK and soil correlator, USDA-SCS, Stillwater, OK 74074.
