What's it Like to be a Kangaroo?  
What's it Like to be a Soil There Too?  
F.D. Hole, 1989

What's it be a kangaroo, hopping on Australian soils, knowing what to do?

What's it be a soil too, support- and animals, beneath like to there ing plants our world in view?

Knowing what every land- Earth's wisdom to do within scape, Mother really takes the cake!

Who else knows out of solid grow so many rooted things to make good soil granite, and

color green the planet? we'll be your friend! us food to eat,

Soil resource faithful You who give

a place on which to stand! in you now all environment and life forms! com-

munity complete!
