Associate Editor Named for Northeast Region

Lewis A. Daniels, Northeast National Technical Center, has been appointed by the editorial board to a 3-yr term as Associate Editor, Northeast Region, for Soil Survey Horizons. Mr. Daniels replaces Karl H. Langlois, Jr., who was Associate Editor for the region for 6 yr.

Mr. Daniels is a soil scientist on the Soils Staff of the USDA-SCS at the Northeast NTC at Chester, PA. He has worked in soil survey positions in Montana and Puerto Rico and was soil scientist on a multidisciplinary team in Mexico for 5 yr. Prior to starting his career with SCS he was a Peace Corps Volunteer in Chile. Mr. Daniels received a B.S. from the Univ. of Wisconsin, Madison and a M.S. from the Univ. of Montana, Missoula.

Contributors and readers who are in the northeast region are encouraged to write or call Mr. Daniels at his office in Chester. His address and telephone number are listed on the masthead of this issue.

Lewis A. Daniels—
Associate Editor,
Northeast Region
