S. E. WISCONSIN REGIONAL PLANNING COMMISSION'S NEW BROCHURE

This Commission in cooperation with the University of Wisconsin and the Soil Conservation Service has issued an attractive 8-3/4" x 6" 2-page brochure (hinged along a short edge) entitled The Soil Survey, A Guide to Rural and Urban Development. The pamphlet is profusely illustrated with photographs and maps. Six photographs illustrate "How a soil survey is made"; four pictures illustrate field work; one shows a laboratory scene, and another shows a cartographer at work in the office.
